Dear friends of ex-libris

Here are more ex-libris by artists from Ukraine, raped by Putin, to be reminded of the suffering and despair of the people of this country. We can certainly forget the hope of a war crimes tribunal as long as Russia can veto it in the Security Council.

Liebe Exlibrisfreunde

Hier folgen weitere Exlibris von Künstlern aus der von Putin vergewaltigten Ukraine, um an das Leiden und die Verzweiflung der Menschen dieses Landes erinnert zu werden. Die Hoffnung auf ein Kriegsverbrecher Tribunal können wir sicher vergessen, solange Russland im Sicherheitsrat sein Veto einlegen kann.

Chers amis de l'ex-libris

Voici d'autres ex-libris d'artistes de l'Ukraine violée par Poutine, pour nous rappeler la souffrance et le désespoir des habitants de ce pays. Nous pouvons certainement oublier l'espoir d'un tribunal pour crimes de guerre tant que la Russie peut opposer son veto au Conseil de sécurité.

Cari amici di ex-libris

Ecco altri ex-libris di artisti dell'Ucraina, violentata da Putin, per ricordare la sofferenza e la disperazione del popolo di questo paese. Possiamo certamente dimenticare la speranza di un tribunale per i crimini di guerra finché la Russia può porre il veto nel Consiglio di Sicurezza.

Queridos amigos de ex-libris

Aquí hay más ex libris de artistas de Ucrania, violados por Putin, para que se recuerde el sufrimiento y la desesperación de la gente de este país. Sin duda podemos olvidar la esperanza de un tribunal de crímenes de guerra mientras Rusia pueda vetarlo en el Consejo de Seguridad.

Дорогие друзья экслибриса

Вот еще экслибрисы художников из Украины, изнасилованной Путиным, для напоминания о страданиях и отчаянии народа этой страны. Мы можем забыть о надежде на создание трибунала по военным преступлениям до тех пор, пока Россия может наложить вето в Совете Безопасности.

亲爱的前图书馆的朋友们

这里有更多来自被普京强奸的乌克兰艺术家的前书，以提醒这个国家的人民的痛苦和绝望。  
只要俄罗斯能在安理会中否决战争罪法庭，我们当然可以忘记设立该法庭的希望。

エクスリブリス友の会の皆様へ

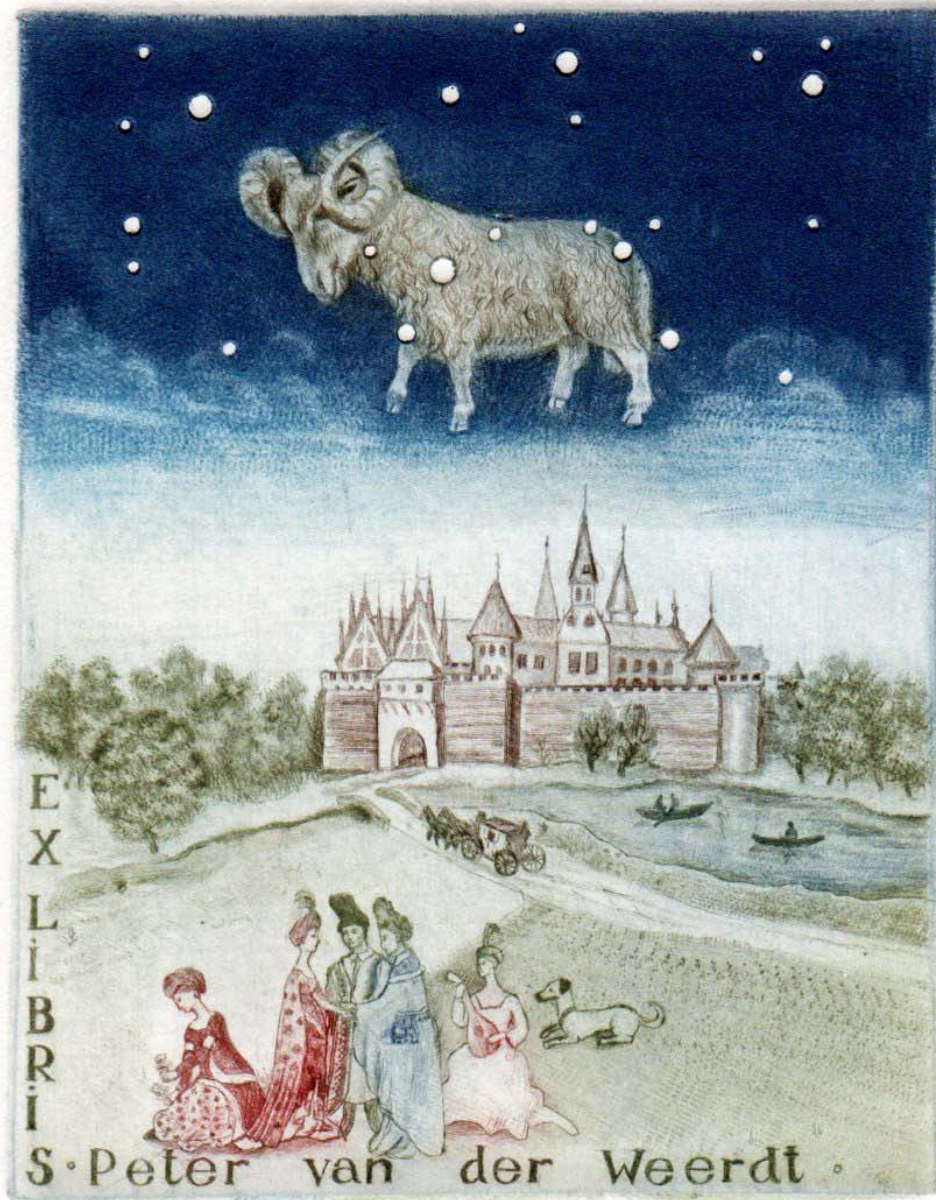

プーチンに犯されたウクライナのアーティストたちによるエクスリブリスは、この国の人々の苦しみと絶望を思い起こさせるために、ここにさらに紹介します。安保理でロシアが拒否権を発動できる以上、戦争犯罪法廷の希望は確実に忘れ去られる。
