Dear friends of ex libris

Quicker than expected here comes the second message from James Keenan, this time about the results of the Keith Wingrove Memorial Competition. It is a pity that only about 50 participants - mainly from North America - experienced the congress.

Antal Fery is also one of the Hungarian artists I met in connection with the 1970 International Exlibris Congress. The congress was postponed until November with the result that only about 170 participants came instead of almost 600 registered in the first case.

Liebe Exlibrisfreunde

Schneller als erwartet kommt hier die zweite Nachricht von James Keenan, diesmal über die Ergebnisse des Keith Wingrove Memorial Wettbewerbes. Schade, dass nur etwa 50 Teilnehmer – vor allem aus Nordamerika – den Kongress erlebt haben.

Auch Antal Fery gehört zu den ungarischen Künstlern, die ich in Verbindung mit dem internationalen Exlibris Kongress 1970 kennen gelernt habe. Der Kongress wurde auf November verschoben mit dem Ergebnis, dass nur etwa 170 an Stelle von fast 600 im Erstfall angemeldeten Teilnehmern kamen.

Chers amis de l'ex-libris

Plus vite que prévu, voici le deuxième message de James Keenan, cette fois sur les résultats du concours Keith Wingrove Memorial. Il est dommage que seule une cinquantaine de participants - principalement nord-américains - aient pu assister au congrès.

Antal Fery fait également partie des artistes hongrois dont j'ai fait la connaissance en relation avec le Congrès international d'ex-libris de 1970. Le congrès a été reporté au mois de novembre, ce qui a eu pour effet de ne réunir que 170 participants environ, au lieu de près de 600 inscrits lors de la première édition.

Cari amici di ex libris

Più rapidamente del previsto arriva il secondo messaggio di James Keenan, questa volta sui risultati del concorso Keith Wingrove Memorial. È un peccato che solo una cinquantina di partecipanti, provenienti soprattutto dal Nord America, abbiano vissuto il congresso.

Antal Fery è anche uno degli artisti ungheresi che ho conosciuto in occasione del Congresso Internazionale Exlibris del 1970. Il congresso è stato rinviato a novembre, con il risultato che i partecipanti sono stati solo 170 invece dei quasi 600 registrati nel primo caso.

Estimados amigos de ex libris

Más rápido de lo esperado llega el segundo mensaje de James Keenan, esta vez sobre los resultados del concurso Keith Wingrove Memorial. Es una lástima que sólo unos 50 participantes - principalmente de América del Norte- hayan asistido al congreso.

Antal Fery es también uno de los artistas húngaros que conocí en relación con el Congreso Internacional de Exlibris de 1970. El congreso se pospuso hasta noviembre, con el resultado de que sólo acudieron unos 170 participantes en lugar de los casi 600 inscritos en el primer caso.

#### Дорогие друзья ex libris

Быстрее, чем ожидалось, пришло второе сообщение от Джеймса Кинана, на этот раз о результатах конкурса памяти Кита Вингроува. Жаль, что конгресс посетили только около 50 участников - в основном из Северной Америки.

Антал Фери также один из венгерских художников, с которыми я познакомился в связи с Международным конгрессом экслибриса 1970 года. Конгресс был перенесен на ноябрь, в результате чего вместо почти 600 зарегистрированных в первом случае участников приехало только около 170.

#### 尊敬的前图书馆的朋友们

比预期的要快·这里有詹姆斯-基南的第二条消息，这次是关于基思-温格罗夫纪念赛的结果。令人遗憾的是·只有大约50名与会者--主要来自北美--经历了这次大会。

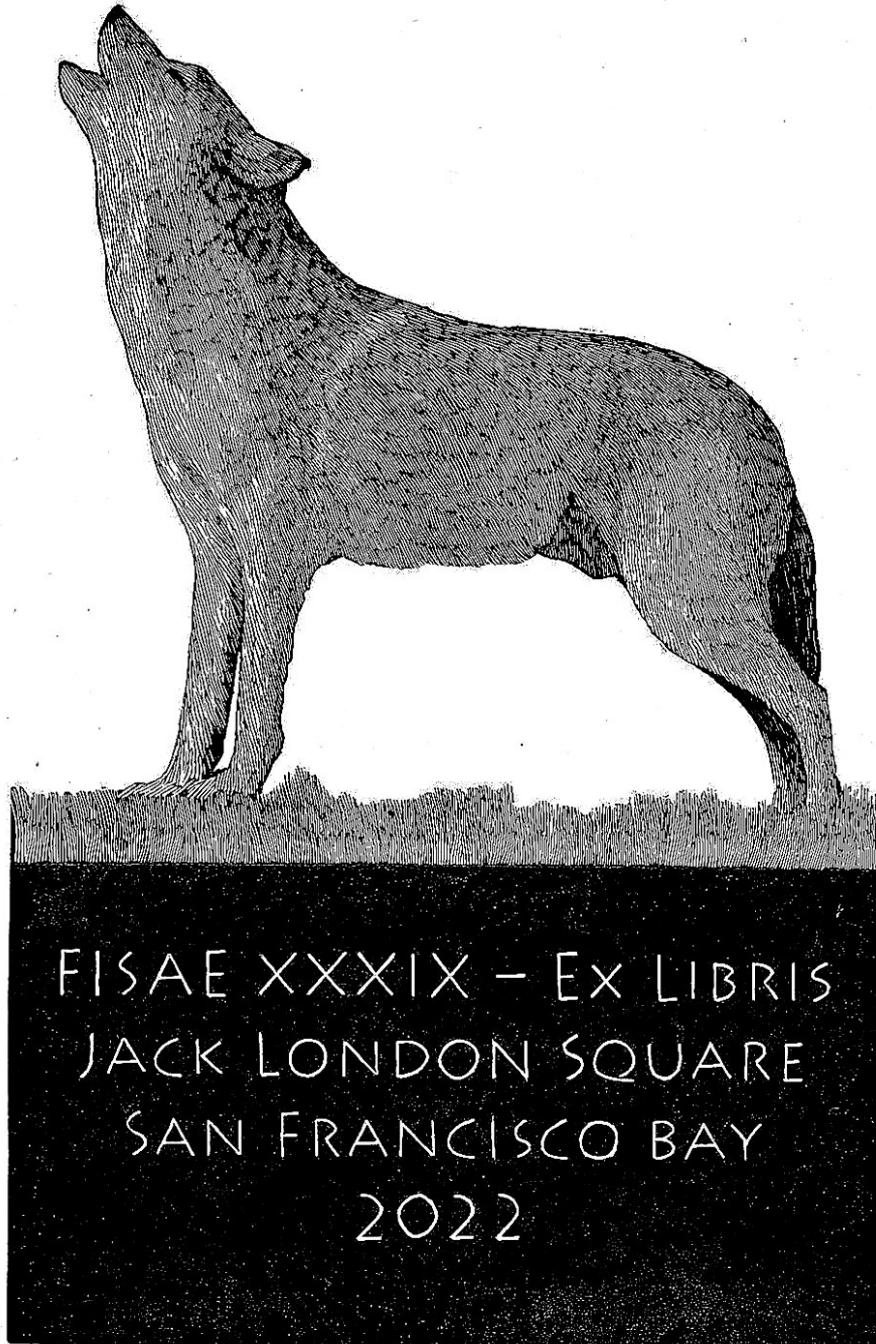

安塔尔-费里也是我在1970年国际出书社大会上遇到的匈牙利艺术家之一。大会被推迟到11月，结果是只有约170名与会者，而不是第一次登记的近600名。

#### エクス・ライブラリの皆様へ

早速ですが、James Keenanからのメッセージ第2弾、今回はKeith Wingrove Memorial Competitionの結果についてです。北米を中心とした約50名の参加者にしか体験していただけなかったのは残念です。

アンタル・フェリーは、1970年の国際エクシリbris大会に関連して出会ったハンガリー人アーティストの一人でもある。その結果、当初600人近くいた参加者が、11月に延期され、約170人にとどまった。
