There are images of the exhibitions ("Wind from the East", a joint exhibition of artists from Belarus, Russia, and Ukraine, and "Divine Comedy", an exhibition of about 180 graphics, both historical and recent), of the meeting and the awarding ceremony of the competition about Divine Comedy. In the last page, I sent you the cover of the 2 catalogues and of the book of the meeting. They are in colors and the text are all in Italian and in English.

"Wind from the East", 96 pages, 23x23

"Divine Comedy and ex libris", 364 pages, 23x23

Competition Bodio Lomnago about Divine Comedy, 144 pages 16,8x24

After the opening, the exhibition about Divine Comedy is moving in some villages around Varese, then the part about the competition will be at the Castle in Gaeta (near Rome) on 27th December, while "the big exhibition" about Dante will be in Frederikshavn Art Museum (8th January till March), in Siauliai (April), in Gorna Orjahovica (2nd June) and in Varna (July). We are also managing for another tour for "Wind from the East".
