

FISAE Newsletter

78 / 2021
05.11.2021

Dear friends of exlibris

From some exlibris societies came the suggestion that with this FISAE Newsletter I invite ALL to send me a "situation report" so that I can give an up-to-date information on how the situation is currently in the different societies.

For example, like this: year of foundation, current number of members, activities carried out 2020-2021 and planned activities for 2022.

I hope that the Executive Committee (or a person elected by the Executive Committee) will take this task upon themselves and (hopefully!) let me know the result so that I can send out an appropriate FISAE newsletter for the benefit of all.
Thanks, and greetings in advance

Klaus Rödel

Liebe Exlibrisfreunde

Von einigen Exlibris Gesellschaften kam der Vorschlag, dass ich mit diesem FISAE Newsletter ALLE dazu auffordere, einen „Situationsbericht“ an mich zu schicken, damit ich eine aktuelle Information geben kann, wie die Situation in den verschiedenen Gesellschaften aktuell ist.

Zum Beispiel so: Gründungsjahr, aktuelle Mitgliederzahl, durchgeführte Aktivitäten 2020-2021 und geplante Aktivitäten für 2022.

Ich hoffe, dass der Vorstand (oder eine vom Vorstand gewählte Person) diese Aufgabe auf sich nimmt und mir (hoffentlich!) das Ergebnis mitteilt, so dass ich einen entsprechenden FISAE Newsletter zu dem Nutzen aller verschicken kann.

Im Voraus Dank und Gruß

Klaus Rödel

Chers amis de l'ex-libris

Quelques sociétés d'ex-libris m'ont suggéré de demander à TOUS, par le biais de cette lettre d'information de la FISAE, de m'envoyer un "rapport de situation" afin que je puisse donner une information actualisée sur la situation actuelle dans les différentes sociétés.

Par exemple comme ceci : année de fondation, nombre actuel de membres, activités réalisées en 2020-2021 et activités prévues pour 2022.

J'espère que le Conseil d'administration (ou une personne élue par le Conseil d'administration) se chargera de cette tâche et me communiquera (je l'espère !) le résultat afin que je puisse envoyer une lettre d'information FISAE appropriée pour le bénéfice de tous.

Merci d'avance et salutations

Cari amici di exlibris

Da alcune società di exlibris è venuto il suggerimento che con questa Newsletter FISAE invito TUTTI a mandarmi un "rapporto sulla situazione" in modo che io possa dare un'informazione aggiornata su come la situazione è attualmente nelle diverse società.

Per esempio così: anno di fondazione, numero attuale di membri, attività svolte 2020-2021 e attività previste per il 2022.

Spero che il Comitato Esecutivo (o una persona eletta dal Comitato Esecutivo) si assuma questo compito e (spero!) mi faccia sapere il risultato in modo che io possa inviare una newsletter FISAE appropriata a beneficio di tutti.

Grazie e saluti in anticipo

Klaus Rödel

Estimados amigos de exlibris

Desde algunas sociedades de exlibris me llegó la sugerencia de que con este Boletín de FISAE invitara a TODOS a enviarme un "informe de situación" para poder dar una información actualizada de cómo está la situación actualmente en las diferentes sociedades.

Por ejemplo así: año de fundación, número actual de miembros, actividades realizadas 2020-2021 y actividades previstas para 2022.

Espero que el Comité Ejecutivo (o una persona elegida por el Comité Ejecutivo) se encargue de esta tarea y (¡ojalá!) me comunique el resultado para que pueda enviar un boletín de la FISAE adecuado para el beneficio de todos.

Gracias y saludos por adelantado

Дорогие друзья экслибриса

От некоторых обществ экслибриса поступило предложение, чтобы в этом информационном бюллетене FISAE я предложил ВСЕМ присыпать мне "отчеты о ситуации", чтобы я мог предоставить актуальную информацию о том, как обстоят дела в различных обществах.

Например, так: год основания, текущее количество членов, проведенные мероприятия 2020-2021 гг. и запланированные мероприятия на 2022 год. Я надеюсь, что Исполнительный комитет (или лицо, избранное Исполнительным комитетом) возьмет на себя эту задачу и (надеюсь!) сообщит мне о результатах, чтобы я мог разослать соответствующий информационный бюллетень FISAE на благо всех.

Заранее благодарю и приветствую
Клаус Рёдель
